

### Lemon cheese

A slight taste of cheese cream. The lemon peel gives it a refreshing lemon flavor. It is a roll cake with a good balance and you will never get tired of it.

## Menu

### Swiss Roll

Roll cake that brings out the flavor of the ingredients. Simple but flavorful roll cakes made with fresh local eggs from Yamaguchi Prefecture, pure sugar, and fresh cream from Hokkaido.

### Coffee-Flavored Warabi mochi in a Swiss Roll

Completely original by Fugetsudo. The sponge-dough is fluffy and the warabi-mochi is very soft. You will definitely like it!

### Matcha

Made with 100% premium Kyoto Uji tea. Smooth and moist dough. Of course, no preservatives are used. Homemade sweet bean paste, soft chopped chestnuts, and soft chopped chestnuts in the cream.

### Caramel

The only ingredients in our homemade caramel are pure granulated sugar and fresh cream. The carefully hand crafted caramel sauce has a nice accent as well.

### Tiramisu

The refreshing mascarpone and elegant taste is finished with a rich mocha cream.

### Chocolate Chip

No. 1 in popularity with children! The soft cream and moist sponge-dough are accented by the crispy texture of the chocolate.

# About Fugetsudou

Fugetsudo has been in business for 80 years near Kintai Bridge under Iwakuni Castle, selling Japanese and Western-style confections carefully made one by one using only the finest ingredients and production methods. We hope you will enjoy our sweets as souvenirs and tea-time snacks. We are confident that all of our products will please everyone from children to the elderly.
